SAISD IN-DISTRICT CHARTERS

Austin Academy (PK-8) – Performing and Visual Arts 621 W. Euclid Ave., 78212, 210-226-5441 Academic performance, problem-solving skills, and creative thinking are strengthened through the integration of music and the arts with a rigorous curriculum. Starting in kindergarten, students receive a minimum of 90 minutes a week of instruction in music, art, dance and/or drama. Beginning in 4th grade, they also have the choice of several music and visual arts electives.

Barkley-Ruiz (PK-5) – Learning Styles 1111 S. Navidad St., 78207, 210-227-4022 Employs a holistic educational approach custom-made to each child's unique style of learning, with particular concentration on early intervention.

Bonham Academy (PK-8) – Dual Language, Environmental Studies, Fine Arts & Sciences 925 S. St. Mary's St., 78205, 210-223-3741 Students have the opportunity to become fluent in Spanish, Chinese, or Russian as well as to cultivate a life-long appreciation and respect for art, culture and the environment. Education is enhanced through field trips to arts and sciences venues, while they also can learn about native plants and wildlife at the school's outdoor gardens – including a designated National Wildlife Habitat for the monarch butterfly.

Briscoe (PK-5) – Accelerated Learning 2015 S. Flores St., 78204, 210-222-8782 Accelerated academics are offered in keeping with the school's long standing tradition of scholastic excellence. The curriculum also serves as a preparatory for students seeking enrollment into the Middle Years Programme at Lowell Academy and/or Burbank High School's International Baccalaureate Diploma Magnet.

Harris Middle School (6-8) – School of Scientific Inquiry 325 Pruitt Ave., 78204, 210-226-4952 Intense science and technology methodology is fused with a rigorous college-preparatory liberal arts program. Science skills are increased across the curriculum, and extracurricular materials and information are provided to illustrate how students can explore the world around them using everyday tools, models, and experiences.

Hawthorne Academy (PK-8) – National Core Knowledge & Visual Arts 115 W. Josephine St., 78212, 210-733-1321 Self reflection and goal-setting skills are honed through the internationally-acclaimed Core Knowledge Curriculum combined with the school's award-winning visual arts program. Weekly character education promotes citizenship, ethics, and responsibility, and students are set on a pathway toward successful adulthood through college and career awareness.

Highland Park Critical Thinking Campus – Hands-On Thematic Units & Critical Thinking Skills 635 Rigsby Ave., 78210, 210-533-8051 A thematic, integrated curriculum, along with a strong technology component, are the focus of this campus. Lessons are taught around a school-wide theme, with multiple subjects rolled into a single lesson. This approach allows students to delve deeper into concepts and connect what they are learning to their everyday lives.

Irving Middle School (6-8) – Music 1300 Delgado St., 78207, 210-734-2937 The award-winning music program provides the academic cornerstone for a curriculum that recognizes the important role music education can play in every subject and in all acts of learning.

Martin Luther King Academy (PK-8) – Public Service & Leadership 3501 Martin L. King Dr., 78220, 210-223-8621 The school's motto —Creating Tomorrow's Leaders Through Preparation Today|| is fulfilled by offering students a strong foundation in academics, literacy and technology combined with public service. Opportunities to develop their leadership qualities are augmented through partnerships with businesses, community organizations, and volunteer agencies.

Rhodes Technology Middle School – Technology 3000 Tampico St., 78207, 210-433-5092 A technology-focused curriculum that gives you the skills you need to prepare yourself for high school and college. Imagine building bridges and working on circuit boards for computers and taking science to the next level and beyond — this school provides those opportunities.

Travis Early College High School – 1915 N. Main Ave., 78212, 210-733-1911 Located adjacent to San Antonio College campus, Travis Early College High School offers a personalized learning environment where students complete their high school diploma while earning up to 60 hours of college credit, and/or an Associate's Degree at no cost to the student or family. Upon graduation our students will make a seamless transition from high school to a four year college or university.

Whittier Middle School (6-8) – Science & Health 2101 Edison Dr., 78201, 210-735-7181 This companion to SAISD's Health Professions Magnet at Edison High School provides a firm science and health foundation as a basis for problem-solving and research skills. Through a partnership with the University of Texas Health Science Center, students are provided an extraordinary opportunity for hands-on learning alongside some of the nation's top scientists, physicians and professors.

Young Women's Leadership Academy (6-12) – 2123 W. Huisache Ave., 78201, 210-732-4851 The San Antonio Young Women's Leadership Academy is a collaborative effort between San Antonio Independent School District and the Foundation for the Education of Young Women. The focus of San Antonio's first all-girls public school is on math, science, and technology, along with college preparation, leadership, and women's health.
