Long Range Facilities Strategic Plan Committee Meeting

SAN ANTONIO ISD
BOARD WORK SESSION
COMMUNITY-BASED LONG RANGE FACILITIES PHASE 3 TASK FORCE
Meeting Minutes
June 27, 2009

On Saturday, June 27, 2009, the San Antonio Independent School District Board of Trustees held a Board Work Session from 9:00a.m. – 2:00 p.m. to meet with the Community-Based Long Range Facilities Strategic Plan Phase 3 Task Force. Board Members Carlos Villarreal, Thomas Lopez, Olga Hernandez, Adela Segovia, Ruben Cuero and Ed Garza were in attendance. Twenty-eight community Task Force members and SAISD staff who are serving as resource members on the Task Force were in attendance.

The Task Force members worked in small groups and developed three proposals for high school, middle school and elementary boundaries and presented their proposals to the full group. All three proposals will be modeled to indicate numbers for review at the next meeting. The Task Force members requested that, at the community meetings, the current status for boundaries in the District be shared with the community as what would happen if no changes are made. They believe the community needs to understand the financial and program offering issues that exist with the current plan. They would also like to share two proposals with the community and get their input on both proposals before finalizing the plan.

The next meeting of the Task Force is scheduled for Wednesday, July 8 from 6:00 – 8:30 p.m. at Collins Garden Elementary School.
