Dear SAISD Parent:

New meal applications are being accepted for the 2008-2009 school year. Due to rising food and fuel costs, SAISD will no longer be able to provide meals to all students free of charge. However, approximately 87% of SAISD students qualify for Free or Reduced meals and will continue to receive meals at no cost.

To qualify for Free or Reduced eligibility you must submit a meal application. If you do not qualify for Free or Reduced eligibility, your child(ren) will be asked to pay for school meals this school year. Your child will be provided an application no later than the first day of school.

If you were notified last year for the 2007-2008 school year that your child(ren) was denied for free or reduced meal benefits, please be sure to send money with your child(ren) on the first day of school. ***Please complete a new application for the 2008-2009 school year to see if you now qualify for Free or Reduced meals.***

The costs of the meals are as follows:

	Paid	Reduced	Free
Breakfast (all grades)	\$0.90	\$0.00	\$0.00
Lunch: Grades Pre K thru 5	\$1.75	\$0.00	\$0.00
Lunch: Grades 6 thru 12	\$2.00	\$0.00	\$0.00

**Exception: DO NOT** fill out an application if:

- You receive a Direct Certification Notice stating that your child(ren) is eligible for free meals. Bring or send the notice to school and that will allow your child or children to be categorized as Free for the 2008-2009 school year.

If you have any questions, please call the Food & Child Nutrition Services Application Department at (210) 223-2201.

Sincerely,

---
