## **SAISD Dig for the Cure Event – October 13, 2009**

In the fall of 2009, thousands of volleyball teams from around the country will participate in National Breast Cancer Awareness rallies. The SAISD Athletic Department is planning to dedicate the October 13<sup>th</sup> volleyball matches at the Alamo Convocation Center to an event called the **"SAISD Dig for the Cure"**.

Edison will play Brackenridge at 5:30 p.m. and Lanier will compete against Jefferson at 7:00pm. Both games are predicted to be excellent district competitions.

The **"SAISD Dig for the Cure"** will be affiliated with the San Antonio Komen Foundation, and all of the donations made at the event will be given to our local chapter. There will be a special recognition of all Breast Cancer survivors in attendance at 5:15pm. If you would like to be recognized, please call Barbara Wise at the Athletic Office, 210-735-9331, ext. 114, or send an email to [bwise1@saisd.net](mailto:bwise1@saisd.net) to be added to the roster. If you would like to make a donation, but cannot attend the event, please contact Ms. Wise.

This will be a great lesson for the SAISD athletes to learn the importance of giving back to their community. The teams are very excited and very proud to make this the first of an annual volleyball tradition at SAISD.

We need your help and you can make a difference. The support you lend to the event is not only counted in dollars and cents, but also in the "spirit of the community". Together, we will do much to improve the lives of women and men who are facing this challenge.

Let's all "Dig for the Cure" on Tue., Oct. 13, 2009 at ACC.
