Tafolla Giving Back To The Community!

Albert Einstein once said, "It is every man's obligation to put back into the world at least the equivalent of what he takes out of it." Tafolla Middle School is trying to show their MSP students that giving back to the community is an important aspect of being a well rounded student. Wednesday through Friday, MSP students collected money during all lunch periods to donate to St. Jude's Hospital. The students were able to collect a total of \$485.22 to give to the research hospital. The Middle School partners program is not only

structured to provide the academic recovery element, but is also focused on the needed strategies for building self confidence, self esteem and self worth. By incorporating fundraisers, such as this one on your campus can help support character building and encouragement for our MSP students. Overall, the fundraiser was a success and it helped show the MSP students that they can make a difference if they come together as a school.

Thanksgiving break is right around the corner and our students might already be ready for the turkey. How can you help them stay on track? Create a progress calendar for them to be able to track their own progress. Ms. Torres at Irving Middle School is hoping to have her class done with Reading A & Reading B credits before the Thanksgiving break. In order to help motivate some of her students that might need that extra push, she gave them a visual time line of what is expected of them in the weeks

to come.
Great idea, Ms. Torres!
