Need Extra Funds? Tafolla Middle School Has The Answer!

Tafolla Middle School and CIS have teamed up to raise monies for different projects throughout the year by hosting an afterschool snack store. The committee consists of a president, vice president, marketing person, advertising person, inventory person, and security guards. Tafolla had great success last year with their store by raising over \$1000! With the funds, they were able to attend

9 field trips, create MSP shirts, and have a special celebration at the end of the year with all the graduates. The students are excited and are ready to raise money for their school year. This idea is great for campuses that are looking to raise extra money to support student successes! Way to go Tafolla for thinking outside of the box!

Ms. Mendez has a friendly reminder posted for her students as they are walking out of her classroom, in case they decide they want to access their A+ when they are at home! Great idea Ms. Mendez!

October Attendance Incentive Update
