Spurs Ticket Giveaway Winner!

One of the components of our Middle School Partners program is that the students hear from guest speakers from around the community. Ms. Smasal at Rhodes Middle School asked her students what industry they wanted to learn more about and the students were drawn to the Real Estate market. Mr. AJ Reygadas with The Reygadas Real Estate Group was willing to come out and talk to the students about the importance of school and what it takes to become a real estate agent. He was so impressed with the program and the students dedication, that he offered up his two floor seats to a Spurs Game. For the past couple of months, the students

have been in competition to win the tickets. The student that had the most progress, the best grades, and the best attendance would be awarded the game tickets. On April 1, he came back out to Rhodes to announce the winner of the Spurs tickets. He also brought four tickets to see the Rampage play and a signed Spurs basketball with a t-shirt to give to two other students.

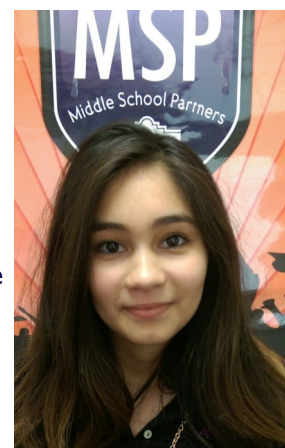

Congratulations to Dion B. who was awarded floor seats to see the Spurs beat the Phoenix Suns, **Andrew R.** who won the Rampage tickets and **Nina V.** who won the Spurs signed basketball and t-shirt. All 3 students have continued to work hard throughout the entire year and deserve these amazing prizes. A huge **THANK YOU** to **AJ Reygadas** and his team for wanting to motivate our Middle School Partners Students to do their best!

Our MSP Student of the Week is **Alazay G.** from Rhodes Middle School.

She is taking the initiative to give herself options for academic success in the future. She applied to Fox Tech, St. Phillip's Early College, and Travis Early College, and was accepted into all three magnet programs. She currently has A-Honor Roll and was Commended on her STAAR simulation assessments. She says her MOTHER is her hero in life because although she didn't finish school, she never gave up working hard to offer the best for her children.

Awesome Job Alazay!
