ACADEMY SPORTS LEAGUE FIRST SEASON – 2016-2017

The SAISD Athletics Department is pleased to recognize the newly created **Academy Sports League**. This league has been created to provide as many students as possible with a full educational experience.

Academies participating in the Academy Sports League (A.S.L.) are King, YMLA, Mission, Bonham, Hawthorne, Woodlawn, and the Advanced Learning Academy (located at Fox Tech High School). Sports being offered for both boys and girls are basketball, soccer, track, and cross country with volleyball being offered for the girls only.

Due to the small enrollments of the Academies, teams will consist of combining 7th and 8th grade students. The A.S.L. will not follow the same athletic schedules as our traditional middle schools, but will play a full competitive schedule within the A.S.L. to include season ending Championship Tournaments.

Bruce McCrary, *SAISD Athletic Programs Coordinator*, will serve as League Administrator for this inaugural season. Game schedules can be found on our [SAISD Athletics Department](#) website along with contact information.

TODD HOWEY
SR. EXEC. DIRECTOR OF ATHLETICS
