

Student Spotlight

Mauricio R. from Edison HS

Mauricio was nominated for the student spotlight because of his hard work in the classroom. He is a 12th grader and knows that every minute counts when working on his credits. He comes to class everyday with a great attitude and is always willing to help and mentor other students in the classroom. His spiritual faith is his greatest motivation for his success in and out of the classroom. His ultimate goal is to become a minister of Gods work and to help others especially the less fortunate.

**Outstanding job Mauricio,
can't wait to see you walk the
stage!**

1ST NINE WEEKS OVERVIEW

Congratulations on our first nine weeks of online learning with Edgenuity. With a few growing pains and huge leaps and bounds, we were able to come out with some success. Overall, we had a **total of 1422 students** enroll in **over 1757 different Edgenuity courses**. While working on Edgenuity, our students spent **an average of 3.1 hours working** on their courses per week. As we progress throughout the year, one key to student success is [setting target dates](#) for the students. When a [target date is set](#), this helps guide the student to success. When students were on or ahead of pace, they maintained an overall average grade of 83%. A student who failed to stay on track or behind pace, had an overall average of 73%. Setting goals & target dates are key! With a new course structure, content and rigor, on average, our students were able to progress through 30% of their course activities.

**Thank you for all your hard work and dedication as we
move forward into the next 9 weeks!**

Did you know?

There are embedded communication tools in Edgenuity to provide ongoing feedback to students and their families. This tool can be used to help motivate your students and build supportive relationships.

Edgenuity & SAISD working together as a team!

Edgenuity hosted a reception at Casa Rio on Wednesday evening (10/26/16) during the iNACOL Blended and Online Learning Symposium, in San Antonio, TX. During the reception, the Mariachi band from Irving MS performed for over 100 people from all

across the United States. The Mariachi band at Irving MS is currently raising money for new uniforms and Edgenuity could not pass up the opportunity to support their endeavor to look sharp. Edgenuity supported Irving with a \$1000 towards their uniforms.

We are excited to partner with Edgenuity, not only as our online provider, but as a true community partner!

Need additional support with Edgenuity

I am available for mini-Edgenuity training sessions. The session can be anywhere from 5 minutes to 30 minutes, depending on what you need assistance with and we can do them through a virtual webinar.

The days that I am available are: Tuesday's from 8:00 am – 11:00 am, Wednesday's from 11:00 am – 2:00 pm, Thursday's from 2:00 pm – 4:30 pm

If you are interested, please send me an email with **a date, time and what you might need assistance with**, and I will follow up with a link for you to join the mini-session via virtual webinar.
