### Our Student of the Week comes from Poe Middle School.

Alexus R. has been an exceptional leader and role model for her peers in the Partners program. She is working hard on her Art and Humanities Pathway and has already earned 2 credits. Her plans for the future consist of being a singer or possible graphic artist. She continues to work diligently and inspires her classmates to perform at the highest level.

Awesome job Alexis!

## NO BREAK DURING SPRING BREAK

During our Spring Break, Middle School Partners offered an incentive for student to work on their high school credits. When most students would take full advantage of not working, we had over 50 students get online and take advantage of the time to get ahead. To help close the gap, MSP also offered a laptop “checkout” during spring break to help students that did not have a laptop at home yet wanted the opportunity to work online. Middle School Partners was very pleased to see the progress that took place over the break and is excited to announce the winners of the incentive.

### Winning choice of their lunch:

Annette S. from Rogers MS

### Winning a Goodie Basket:
