This year the ASL Sports League has expanded to 21 academy schools. Ogden, Margil, Douglass, Crockett, Fenwick, Riverside Park, Herff, and Green have joined the league and will be participating in 7th grade this year and will be adding 8th grade next year.

Will Rogers, Hawthorne, Japhet, Mission, Advanced Learning, Ball, Woodlawn, Foster, Cotton, Bowden, Beacon Hill, Bonham and Forbes will be participating in both 7th and 8th grade sports.

The Academy Sports League will be offering the following sports: girl's volleyball, girls and boys basketball, girls and boys soccer, girls and boys cross country, and boys 7 on 7 football.

Mission Concepcion Sports Park (MCSP) has been acquired in order for the Academy schools to play volleyball and basketball at this site. Soccer and 7 on 7 will continue to play games at the SAISD Sports Complex. Game schedules and other information may be found on the SAISD Athletic web site.
