

Technology Magnet at Rhodes Middle School

Medicine, international business, television and film, the internet and so many other amazing industries wouldn't exist without technology. The Technology Magnet is your introduction to this ever-changing and complex world. Get the skills you need to prepare yourself for high school and college. Imagine building bridges and working on circuit boards for computers. Taking science to the next level and beyond – that kind of work is what the Technology Magnet is all about.

Middle School Offerings

SAISD offers a wide variety of choices in education, particularly through its magnet programs: encompassing five programs for middle school students. We understand that education is not a “one size fits all” package, so we offer a breadth of programs to allow students to develop their talents or pursue special interests and career goals such as technology, public service, international baccalaureate and language immersion. These special learning programs are available to students across Bexar County, those living within and outside the SAISD District. Come find out more about our offerings, and find a program to ignite your child’s passion for learning

Multilingual at Davis and Tafolla Middle Schools

Speaking a second language is not only cool, but it can be a very valuable tool in your future career. In the Multilingual Magnet Program, you can learn Spanish, French, German, Russian and Japanese. Imagine starting a company that does business with Japan; or being the international liaison for a multi-billion dollar company in Europe. The path starts here. Learn about the culture, gain a better understanding of the world around you, compete in language contests at universities – you can do it all through the Multilingual Magnet.

► Davis Middle School,

4702 E. Houston Street, 78220, 210- 662-8184
Multilingual students who live on the eastern part of San Antonio ISD attend Davis Middle School.

American Heritage Magnet at Poe Middle School

What do you think about when you see a rollercoaster? Did you know that in China a rollercoaster is a symbol of international pride? With the American Heritage Magnet, you will learn about the world around you while you create, visualize and accomplish your goals. Hands on projects and group learning ensure that you understand the principals of democracy, citizenship, leadership and more. Empower yourself and become an agent of change in your life - and in our world through the American Heritage Magnet.

International Baccalaureate Middle Years Programme (MYP) at Lowell Academy

International Baccalaureate is one of the finest education programs that SAISD has to offer. This Middle Years Program is the perfect place to start charting your course to college. All students who graduate from the high school IB Program go to college. With this new program for middle school students, you can learn what IB is all about. Areas of study include: Approaches to Learning, Human Ingenuity, Environments, Health and Safety Education, and Community and Service. These customized programs will help you become a successful life-long learner. Take the challenge and let International Baccalaureate make an impact on your life.
