**COMMUNITY-BASED LONG RANGE FACILITIES PHASE 3 TASK FORCE**

**Meeting #11**

**February 28, 2009**

On Saturday, February 28, 2009, the Community-Based Long Range Facilities Phase 3 Task Force held its 11<sup>th</sup> meeting from 8:30 a.m. – 2:00 p.m. The agenda for the meeting is attached. Twenty-five community members and SAISD staff who are serving as resource members on the Task Force were in attendance.

Each plan was presented to the committee members and analyzed for strengths. Each individual task force member was asked to complete a form indicating which plan they like best and what they saw as the strengths to that plan and what revisions, if any, they would like to see made to that plan. The majority of the task force members preferred plan A. The large group then discussed possible revisions to that plan. The task force began working through the recommended revisions, implementing those that the majority of the group felt strengthened the plan.

Roz Keck discussed the plans for Phase 4 and asked each member of the task force to consider volunteering to serve on the task force for that work. The importance of having consistency in the process between the two phases was discussed.

The next meeting will be held Wednesday, March 4, 2009, from 6:00 – 8:30 p.m. at Travis Early College High School. A light dinner will be served at 5:30 p.m.
