# SAN ANTONIO ISD COMMUNITY-BASED TASK FORCE Meeting #9 March 12, 2008

The ninth meeting of the Community-based Task Force was held on Wednesday, March 12, 2008, from 6:00 – 8:30 p.m. The agenda for the meeting is attached. Thirty community members and SAISD staff who are serving on the Task Force were in attendance.

The draft of the Findings and Directions had been sent to the Task Force members prior to the meeting, and they had been asked to come to the meeting prepared to recommend revisions to the document. Task Force members reviewed the document in small groups and discussed suggested revisions.

The full Task Force discussed each section of the document and made recommendations for revisions. Agreement was reached, through consensus, to each of the revisions. The meeting concluded with all members of the Task Force agreeing, by consensus, to the revised Findings and Directions document.
