HIGHER EDUCATION IS FOR ANYONE WHO DESIRES TO FURTHER THEIR EDUCATION

THE TEXAS HIGHER EDUCATION BOARD IS DEDICATED TO MAKING IT AFFORDABLE

TRADE SCHOOLS, COMMUNITY COLLEGES (2 YEAR) AND 4+ YEAR COLLEGES

Trade schools are

Subject dedicated.

Example

Cosmotology, Mechanics, Art Schools (art schools have more academics than other trade schools).

Community College. (2-year degree)

Associates Degree

The Degrees are not as in depth as a Bachelors

Colleges or Universities Bachelors degree

Usually takes 4 years but could take longer

Before obtaining a Bachelors degree a student is considered an undergraduate.

Students can also obtain their Masters and above.

ADMISSION TO COLLEGE

Open admissions colleges

Require you take an entrance exam for placement.

Selective colleges

Are more difficult to get acceptance

Grades, ACT and SAT are very important

Which ever you choose

It is still important that you have good grades so you won't have to take remedial classes. The highly will use your GPA, ACT, or SAT scores, letters of recommendation, and an essay to determine if you are a good candidate for their institution.

When deciding which college to apply to choose at least one open admission college.

SUMMER VACATION

Explore community service opportunities. It looks good on your college resume.
