

SAISD Mission Statement

To transform SAISD into a national model urban school district where every child graduates and is educated so that he or she is prepared to be a contributing member of the community.

Welcome to Ferdinand Herff Elementary School

2014-2015

Dear Herff families and visitors,

□

I am honored to welcome you to Herff Elementary, a dual language campus where

we believe every child will go to college. Our students are taught by highly-qualified

teachers who strive for excellence in every child. Several grants have enhanced the

resources on our campus with literacy as a main focus. We offer a variety of

after-school clubs in order to reach and teach the whole child while developing

and enhancing non-academic skills. We welcome your visit to our campus

where our secretaries will greet you with a smile.
