Welcome to George E. Kelly Elementary – home of the Golden Eagles! Our highly-qualified staff is dedicated to providing every child with the best educational opportunity possible. We realize the importance of developing in each child an attitude of self-respect and self-worth. Therefore, we also provide a variety of opportunities to form meaningful and responsible relationships. At Kelly Elementary, we feel that parents are our partners in the important job of educating the children of this community. We welcome your suggestions and encourage your involvement in school activities. Our web site is a work in progress. Acquaint yourself with its layout. Take a look at the staff list in the Our Staff section – these are the folks who are here to help your child get the most out of his or her years at Kelly Elementary! We are glad you are here!!!
