Welcome to the Dorie Miller Library

SAISD has purchased online databases for our students and their families to access
from school and home in order to facilitate learning and promote achievement.
These databases provide current, factual information that students can rely on to help further
their learning.

These sites **DO** require codes in order to access the sites. But because these site are
purchased solely for SAISD students we are not allowed to give the codes over the internet. If
you would like to access these sites at home please ask the librarian and we will provide you
with the codes.

Online Reference Resources
 Check with your campus librarian for usernames and passwords.

 Alexandria Researcher **- Search any school's card catalog online from anywhere, school,
or home!**
