

Important Information:

Important: School starts promptly at 8:05 (be at school at 7:50 if your child will be eating breakfast) each day when first bell rings. Please have your child at school on time so that he/she does not miss out on instruction. We teach "bell to bell" so please do not expect your child outside at 3:20. Dismissal is at **after** 3:20 pm. Please wait for your child outside in one of the designated areas.

Children are dismissed in TWO areas only:

"Walkers" --Courtyard (between main building and annex building) for those students whose parents walk to pick them up or for students who have written permission on file to walk home. This is **not** for car pick up along Enfield.

"Car Riders"--- Drive thru pick up in front of cafeteria --parents may drive thru (NO PARKING) here and their student will be walked to their car by a staff member. Your child's teacher should know in advance that this is where your child needs to be for dismissal. So that the flow of traffic can continue to move , we can not hold up the car rider line to go get your child from the courtyard.

Do not ask your child to wait for you in the front or the back of the school. Students will not be permitted to wait in the parking lots or playgrounds.

Students left after 3:30 will need to be picked up in the office. A parent will need to come inside to sign them out.
