The faculty and staff would like to welcome you and your children to another great school year at Booker T. Washington Elementary.

We look forward to working with your children here at Washington to ensure that they

continue to excel academically. We appreciate all of the hard work that our parents and the community contribute to the success of students. Your support is important in helping our school be successful. Results like these can only be achieved with hard work, dedication, and parental support.

Please be aware that daily attendance is crucial to the success of your child. I want to thank you, in advance, for working with us to ensure that your child is in school everyday and on time! I look forward to meeting each and every one of you. If you have questions or concerns, please contact me at (210) 738-9840.

Sincerely,

Phyllis Foley-Davis, Principal
