**Hands-On • Industrialization & Reforms Diamonds**

This strategy helps students build their vocabulary skills through an interactive matching game.

**Prep Work:**
- Fill in the text boxes in the template with a term on one side and the definition on the opposite side. (Except Edges)
- Run off the diamond puzzle pieces on card stock.
- Cut out each of the diamond pieces.
- Place pieces in a zip-lock baggie.

**Strategy:**
- Have students spread out the pieces in front of them.
- Explain to students that they are to match the term with the definition.
- Explain to students that some pieces will require them to make 4 correct matches.
- Explain to students that their completed puzzle will be in the shape of a six-sided (Hexagon) polygon like the example below.
