## H I G H L I G H T S

Regular School Board Meeting held on May 13, 2019 at 406 Barrera St., San Antonio, Tx. 78210

### Recognitions

- The Board recognized the 2018-2019 members of the SAISD Student Advisory Committee. On June 26, 2000, the Board approved the establishment of a Student Advisory Committee to the Board of Education. The purpose of this Committee is to provide student input on educational issues to the Board and Superintendent. The Committee is composed of one student representative from each of the 13 high schools. The Committee selects topics to discuss throughout the school year and meets with the Board and Superintendent monthly. The students provide feedback on these topics as well as a report on the responses from their peers. This school year, the Committee held their last meeting on April 2, 2019. The Board of Education and Superintendent thanks the following 2018-2019 Student Advisory Committee members for their leadership and service and congratulates them on their upcoming graduations.

- Trustees recognized the Dell Scholars for the Class of 2019. The Dell Scholarship nurtures and empowers students on their path to a college degree. This scholarship targets low-income, highly motivated students who demonstrate the drive to succeed despite personal obstacles. To qualify for the Dell Scholarship, SAISD students must participate in an approved college readiness program in grades 11 and 12. All the SAISD Dell Scholars have participated in the Advancement Via Individual Determination (AVID) elective, which is the only approved program in the District that meets the criteria requirements. Scholars must also demonstrate financial need, plan to enroll in college in the fall of 2019, earn a minimum 2.4 Grade Point Average (GPA), and be on track to graduate high school. The Scholars have also demonstrated a unique “GPA” of grit, potential and ambition in their quest for a college education:
  - ✓ Grit – demonstrated by overcoming challenges in their lives
  - ✓ Potential – demonstrated by participating in a college readiness program and rigorous courses
  - ✓ Ambition – demonstrated by dreaming of obtaining a college degree

This program offers a personalized, multi-faceted support to scholars that extends beyond the financial support of the award of \$20,000, a laptop, and textbook credits. Scholars are also provided direct support for financial, academic and emotional needs throughout their college journey. The 16<sup>th</sup> Class of Dell Scholars has welcomed 500 students from across the nation. The following SAISD students have been selected as part of the Class of 2019 Dell Scholars:

- The Board recognized SAISD's JROTC students for their achievements at the United States Army Cadet Command National Drill Team Championship held in Richmond, Virginia on March 30, 2019. Both Highlands and Jefferson high schools earned one national trophy, while Brackenridge HS earned two. The drill teams competed in four phases: Color Guard; Inspection; Regulation; and Exhibition. The Color Guard Phase requires synchronized marching by four cadets with the colors and rifles, while applying precision in movements according to army regulations and flag etiquette. The Inspection Phase is demanding mentally for 12 cadets and a commander. The cadets can be asked academic questions, to evaluate knowledge, as well to evaluate bearing under pressure. The cadets are also evaluated on the proper wear of the uniform and personal hygiene. The Regulation Phase requires synchronized marching by 12 cadets and a commander; while applying precision in movements according to army regulations of specific movements in proper ordered sequence. The Exhibition Phase is also synchronized marching with or without rifles. This phase is evaluated based on the difficulty of movement and the choreograph of drill performed in a limited space with limited time. This phase is the most physically taxing of all four phases. The following teams competed and placed during the Army National Championship:

**Brackenridge HS**

- Unarmed Inspection – 3<sup>rd</sup> Place
- Unarmed Color Guard – 4<sup>rd</sup> Place
- Unarmed Regulation Drill – 11<sup>th</sup> Place

The title of the session Mr. Trevino and the Burbank band presented was "Building a Successful Model for Today's Urban Band Program."

### **Community Partners Recognition:**

This school year, all fifth grade students were given the opportunity to attend the following performances at The Tobin Center for the Performing Arts. The performances were "The Nutcracker" and "Diary of a Worm, a Spider, and a Fly". The students attended free of charge, thanks to the support of Kendall Pupura (Vice President and Chief Development Officer) and Dr. Kimberly Stephenson (Director of Education) from the Tobin Center.

- The Board recognized SAISD's music programs for receiving the "2019 Best Communities for Music Education" award by the National Association of Music Merchants (NAMM) Foundation. This is the first time that SAISD has received this national recognition. This designation recognizes the outstanding teachers, the variety of programs that the District offers, access to music in the community, and how well SAISD facilitates that access. This is not just an award for SAISD's music programs but for the entire community. Among the measured criteria were the following: diversity of music programs offered, participation percentage, availability during the school day, equipment and supply budget, access to performance spaces, interactions with community music organizations, attendance at special events, class time and frequency, music specific professional development opportunities for teachers, qualifications of teachers, participation outside the school day, as well as concert and presentations attendance from administration.
- Trustees recognized Andrew Briscoe ES for being named as an International Baccalaureate (IB) World School for the Primary Years Programme (PYP). The International Baccalaureate Primary Years Programme, is open to any student in Kindergarten through fifth grades at schools that have been authorized to implement the programme. The PYP is a challenging framework that encourages students to make practical connections between their studies and the real world. Students who complete the PYP are well-prepared to undertake the Middle Years Programme (MYP) in grades six through tenth and proceed to the IB Diploma Programme (DP) during their 11<sup>th</sup> and 12<sup>th</sup> grade years. SAISD recognizes the campus leadership and the IB instructional team who are responsible for earning approval of Briscoe ES to become the District's fifth IB World School.
- The Board recognized the 2017-2019 members of the SAISD District Leadership Team (DLT). The DLT is chaired by the Superintendent with a co-chairperson elected by the members of the committee. Committee members serve two 2 year terms. The DLT is established to advise the Superintendent who serves as the Board 's designee. BQA (LOCAL), in response to legal mandates, requires the establishment of a site-based, decision-making committee at the District Level. Two levels of decision making teams function within the District. The Campus Leadership Teams (CLTs) function at the campus level. The DLT functions at the district level. BQA (LOCAL) also outlines specific DLT duties to include the following:
  - Establish and review the District's educational goals and objectives;
  - Review major District-wide instructional programs identified by the Board or Superintendent;
  - Analyze dropout rates, dropout prevention plans and graduation rates;
  - Approve staff development of a District-wide nature; and

- Serve exclusively in an advisory role.

Specific duties of the DLT include the following:

- Be involved in establishing and reviewing the District educational plans, goals, performance objectives, and major classroom instructional programs
- Address all pertinent federal planning requirements
- Assist the superintendent annually in preparing, reviewing, and revising the District Improvement Plan
- Hold one public meeting annually after receipt of the District-level performance objectives
- Advise district staff regarding the discipline management program including the SAISD Student Code of Conduct
- Participate in the development of and approve District-wide staff development
- Provide written comments on requests for waivers submitted to TEA

The DLT is composed of 48 members elected by and who represent campus-based professionals, paraprofessional/classified staff, parents and district-level professionals, as well as business and community members. The business and community members are appointed by the Superintendent. Three (3) District-level professionals shall serve as advisors to the DLT, Deputy Superintendent, Associate Superintendent of Human Resources and CFO Financial Services. In addition, any organized employee group may have an advisor representative present at the meetings. The Board of Education and Superintendent sincerely thank the 2017-2019 SAISD District Leadership Team for their leadership, commitment and service.

- The Board approved the Resolution in Recognition of National Police Week on May 13, 2019 through May 19, 2019 and designate May 15, 2019 as “National Peace Officer Memorial Day”. The Resolution also requests the 25<sup>th</sup> Anniversary of the passing of Sgt. William Maldonado, who passed away on May 27, 1994 in the line of duty.
