### **Officials**

- a. All teams will request two officials that are members of the TASO or UIL appointed chapter for varsity district matches. Two officials are requested for Freshman and Junior Varsity games, but one official is acceptable if two are not available. Four officials are required for all Varsity district games. In the event that an official cannot be secured a JV player or non Parent must be used.
- b. If officials fail to show up, the visiting school shall not be in violation by refusing to play. However, earnest effort should be expended to find officials so that the game may be played without additional travel expenses for team and fans. If the contest cannot begin within one hour of the regular scheduled time, then the contest would be played on the next available playing day agreed upon by the coaches. The District Executive Committee (DEC) would have authority to determine forfeit.
- c. The home team will provide an adult to be the official scorekeeper for varsity matches. The adult scorekeeper should be someone knowledgeable of volleyball rules and score keeping procedures. The official scorebook will list the players by name and number.
