IV. DETERMINING DISTRICT REPRESENTATIVES

- A. The District Champion shall be determined by playing a round robin schedule.
 - 1. The team with the best overall win/loss record will be District Champion.
 - 2. The team with the next best win/loss record will be the 2nd place District Representative.
 - 3. The team with the next best win/loss record will be the 3rd place District Representative.

4. The team with the next best win/loss record will be the 4th place District Representative.
- B. In the event two or more teams tie for the district championship, the following format will be used to determine the first place, second place, third place, and fourth place seeds.
1. If two teams tie for the district championship, they will be co-champions.
 - a. If one team has won the head-to-head match then that team will be declared the first-place seed, and the other team will be the second-place seed. The same format will apply to determine second, third, and fourth place.
 2. If three or more teams tie for district champion, the following format will be used to determine the first place, second place, third place, and fourth place seeds.
 - a. If three teams are tied for the district championship, they will be Tri-Champions:
 - (1) If one team has defeated the other two then that team shall be declared the first-place seed of the two remaining teams.

If one team has won, the head-to-head match then that team will be declared the second-place seed and the other team will be the third-place seed. The same format will apply to determine third and fourth place.
 - (2) If two teams (A & B) split mutual games and both teams have defeated the third team (C) in all mutual games, teams A & B will be tied for the first-place seed, there will be a one game play-off or a mutually agreed upon coin-flip. Team C will get the third-place seed. The same format will apply to determine third and fourth place.
 - (3) If no one team has won all matches between the teams involved in the tie, there will be two options: (1) if mutually agreed among all three teams, playoff positions will be determined by a draw. (2) If all three teams do not agree to use option (1), then playoff positions will be determined by tournament play. The following tournament process will determine the seeding: teams will draw for the bye and tournament play will determine the first, second, and third place seeds. At any time during the tournament, a coin flip may be implemented to determine the outcome of a match if mutually agreed upon by both schools.

EXAMPLE:

Team A plays Team B, the winner A then plays Team C. If Team C loses, Team A is the first-place team and Teams B and C will play for second place. If Team A beats Team B and Team C beats Team A, then Team C is the first-place team and Team A is the second place team.

- b. If four or more teams tie for a playoff position, then playoff positions will be determined by tournament play. The order of play shall be determined by a draw. If mutually agreed between the two winners of the first-round matches, playoff positions (First and Second places) will be determined by a coin flip. The two losers of the first-round matches will play for third and fourth place or mutually agree to a coin toss for seeding.

The winner of the final match will be the first-place team and the loser of the final match will be the second-place team. Winner of the loser's match will be the third-place team and the loser will be the fourth-place team.
- c. If three teams tie for two or one playoff spot(s) with no head-to-head advantage, then playoff position(s) will be determined by tournament play. The order of play

process will follow: B2a (2): The teams will draw for the bye and tournament play will determine the third place and/or fourth place seeds. At any time during the tournament, a coin flip may be implemented to determine the outcome of a match if mutually agreed upon by both schools for the third and fourth place seeds.

- C. The date and time of the tournament matches and playoff seeding matches will be determined by the teams involved in accordance with the Constitution and Contest Rules. Tournament matches for playoff seeding will be played at Fairchild Tennis Center.
- D. These provisions for determining the first, second, third, and fourth place teams will be followed to determine the second-place team in the event a district champion has been determined and there is a tie or ties for second place team. Apply same format for third and fourth place if necessary.
