IV. TIMERS AND SCORERS

V. UNIFORMS

Uniforms will be light for the home team and dark for the visiting team.

VI. DAY AND TIME OF GAMES

A. DAYS

1. In cases where **varsity** game days are changed (agreed by both schools), all other district schools will be notified. (The team initiating the change is responsible for the notification.)

B. TIMES

1. The starting times for girls' and boys' **varsity**, **junior varsity**, and **freshmen** basketball games will be determined by the Athletic Offices and the official's association. It is recommended on a school night that game times on campus will be: 5:00, 6:15, and 7:30 pm or 5:00, 5:00, and 6:30 pm. It is also recommended that single games be scheduled at 6:00 pm and doubleheaders at 5:30 and 7:00 pm. Boys' sub-varsity triple headers on campus will be played in the following order: Ninth grade A, Ninth grade B, Junior Varsity (the home team may change the order).
2. Varsity triple-headers at SAISD – ACC & LAC will be scheduled at 5:00, 6:30, and 8:00 p.m. and games at the Lanier Alumni Center (LAC) and Alamo Convocation Center (ACC) will begin at 5:00 p.m. on a school day if available.

C. OTHER

1. Games will be scheduled individually with different schools due to availability of facilities. SAISD and Seguin ISD will make every effort to avoid scheduling varsity games on Mondays, Wednesdays, Thursdays & Saturdays except on holidays.
2. Varsity home games may also be scheduled at school campuses between SAISD and Seguin schools.

VII. DETERMINING DISTRICT REPRESENTATIVES:

- A. The District Champion shall be determined by playing a double round robin schedule.
 - 1. The team with the best overall win/loss record will be District Champion.
 - 2. The team with the next best win/loss record will be the 2nd place District Representative.
 - 3. The team with the next best win/loss record will be the 3rd place District Representative.
 - 4. The team with the next best win/loss record will be the 4th place District Representative.
- B. In the event two or more teams tie for the district championship, the following format will be used to determine the first place, second place, third place, and fourth place seeds.
 - 1. If two teams tie for the district championship, they will be co-champions.
 - a. If one team has won both mutual games, that team will be declared the first-place seed, and the other team will be the second place seed.
 - b. If two teams split mutual games and tie for first place, there will be a one game play-off or coin toss mutually agreed upon. The winner of the coin toss will choose their own seeding. The same format will apply to determine second, third, and fourth place.
 - 2. If three or more teams tie for district champion, the following format will be used to determine the first place, second place, third place, and fourth place seeds.
 - a. If three teams are tied for the district championship, they will be Tri-Champions:
 - (1) If one team has defeated the other two in all mutual games, that team shall be declared the first-place seed of the two remaining teams.
 - (a) If one team has won both mutual games, that team will be declared the second-place seed and the other team will be the third-place seed.
 - (b) If two teams split mutual games and tie for second place, there will be a one game play-off or a mutually agreed upon coin-flip. The same format will apply to determine third and fourth place.
 - (2) If two teams (A & B) split mutual games and both teams have defeated the third team (C) in all mutual games, teams A & B will be tied for the first-place seed, there will be a one game play-off or a mutually agreed upon coin-flip. Team C will get the third-place seed. The same format will apply to determine third and fourth place.
 - (3) If no one team has won all mutual games between the teams involved in the tie, there will be two options: (1) if mutually agreed among all three teams, playoff positions will be determined by a draw. (2) If all three teams do not agree to use option (1), then playoff positions will be determined by tournament play. The following tournament process will determine the seeding: The team with the best record against the other two teams will draw the bye. If the records of the three teams in play against each other are tied, teams will draw for the bye and tournament play will determine the first, second, and third place seeds. At any time during the tournament, a coin flip may be implemented to determine the outcome of a matched game if mutually agreed upon by both schools.

EXAMPLE:

Team A plays Team B, the winner A then plays Team C. If Team C loses, Team A is the first-place team and Teams B and C will play for second place. If Team A beats Team B and Team C beats Team A, then Team C is the first place team and Team A is the second place team.

- b. If four or more teams tie for a playoff position, then playoff positions will be determined by tournament play. The order of play shall be determined by a draw. If mutually agreed between the two winners of the first-round games, playoff positions (First and Second places) will be determined by a coin flip. The two losers of the first-round games will play for third and fourth place or mutually agree to a coin toss for seeding.

The winner of the final game will be the first-place team and the loser of the final game will be the second-place team. Winner of the loser's game will be the third-place team and the loser will be the fourth-place team.

- c. If three teams tie for two or one playoff spot(s) with no head-to-head advantage, then playoff position(s) will be determined by tournament play. The order of play process will follow: B2a (2): The team with the best record against the other two teams will draw the bye. If the records of the three teams in play against each other are tied, teams will draw for the bye and tournament play will determine the third place and/or fourth place seeds. At any time during the tournament, a coin flip may be implemented to determine the outcome of a matched game if mutually agreed upon by both schools for the third and fourth place seeds.

- C. The date and time of the tournament games and play-off games will be determined by the teams involved in accordance with the Constitution and Contest Rules. Tournament games for playoffs will be played at TBD - mutually agreed upon by all coaches in the District 27-5A.
- D. Teams involved in play-off tournaments and games to determine first, second, third, and fourth place teams will determine admission prices and will split all receipts and expenses.
- E. These provisions for determining the first, second, third, and fourth place teams will be followed to determine the second-place team in the event a district champion has been determined and there is a tie or ties for second place team. Apply same format for third and fourth place if necessary.

C. All-District selection procedures

1. Players will be nominated by their own coaches.
2. Sequence of nominations will rotate among schools as nominations are made.
3. The nominations will be written on the dry erase board or showed on a screen starting with the MVP followed by the rest of the selections. Voting will be determined by calling out each player that was nominated for the MVP out loud for adequacy and transparency – coaches cannot vote for their own players. Any ties for the *MVP, *Defensive Player, *Offensive Player and *Newcomer of The Year (1st year varsity from any district) will be determined by the player on the higher place team - district finish in district play.
4. First and second teams will be voted upon independently using the Ranking system. First team selections will be limited to an MVP, Defensive Player, Offensive Player and Newcomer of The Year (1st year varsity from any district) with ten players plus ties. Second team selections will be limited to ten players plus ties.

Ranking System:

- a) *Each school will nominate their player(s) and talk about them.*
 - b) *Each Coach then ranks their top picks on a sheet of paper (not including their own) with 10 being the highest.*
 - i) *If a coach nominated 2 players, they would only rank 10-3*
 - ii) *If a coach nominated 3 players, they would only rank 10-4*
 - c) *Once the coach is done writing their picks on their ballot, they will turn it in to the district champion coach.*
 - d) *Once all the ballots are collected, the district champion coach will then read each vote aloud and write the proper number of point(s) to each player.*
 - e) *All points are added and the top 10 players with the most points are the first team*
If there are any ties for the 10th spot, then the player(s) is included for 1st team.
5. Coaches will re-nominate for second team selections and follow the Ranking system.
 6. Honorable mention selections will be determined by each school – not more than three players per school - but will not be recorded in the district minutes with the All-District selections.
 7. A copy of the All-District team list will be submitted to the district chairman.

D ACADEMIC

Academic all-district selections with a cumulative average of 90 or above and participating at the varsity level will be determined by each school.
