**October 8, 2020** 

### Marie Marks, a San Antonio ISD Distinguished Teacher of the Year, was recognized this week as one of Bexar

County's best educators. A Spanish teacher at the Young Women's Leadership Academy (YWLA), Marks learned during a surprise Zoom call that she was selected as the 2020 KENS5 Credit Human EXCEL Award honoree for SAISD. **READ MORE**

San Antonio ISD

began phasing in

Second Cyber P-TECH cohort of students inducted On Sept. 29, a new cohort of students pledged to successfully complete the Cyber P-TECH USA at Sam Houston program. Sixtyfive students were inducted during the ceremonial process - the second cohort for the program. The incoming students are the Class of 2024, and they are pledging to earn a high school diploma, industry certifications, and/or an associate degree in information technology cybersecurity specialist through St. Philip's College.

COMPLETE THE 2020 CENSUS NOW.

**Creating art in the time of COVID-19** For its 17th year, Artpace San Antonio invited school and community groups to participate in Chalk It Up 2020 and work collaboratively to complete original chalk murals representative of the 2020 theme: Community. Edison High School students, teachers and community members came together and created a huge, practically parking lot-sized piece of art work, all while safely socially distancing. "Our dedication and hard work as a community is displayed throughout our artwork," said Rogelio A. Zamarripa, a junior at Edison.
