

San Antonio ISD and University Health System (UHS) have come together to broaden student access to healthcare with plans to establish two healthcare centers at SAISD campuses next school year. The first UHS healthcare center is to open on the grounds of Tafolla Middle School in the fall of 2019, serving students and campus staff from the SAISD schools in the West Side Lanier High School feeder. A second UHS healthcare center is targeted to open in January of 2020 at the Davis Middle School campus, to serve East Side Sam Houston feeder schools. **READ MORE**

Outstanding Achievement Award The SAISD Foundation has been selected by Texas Education Foundation Network (TEFN) as a 2019 Outstanding Achievement Award winner for the Foundation's Pipeline for College Success program. Above from right to left, Texas Pioneer Foundation Program Director Michelle Coburn stands with SAISD Foundation's Judy Geelhoed, Jennifer Twiss and Angelica Garza after the team received the award last week. "We at the SAISD Foundation are so pleased to have been recognized by the Texas Education Foundation Network for our work on the Pipeline for College Success and the complementary programs we have built to support this work such as emergency gap funding, growing

scholarship programs and care packages," said Geelhoed. "It is always

an honor to be recognized by our peers for the work we are doing here
