SUBJECT: 30th day before Election Day Campaign Finance Report

DATE: April 5, 2019

Attention Board of Trustee Candidates:

As your campaign for office to serve as a San Antonio Independent School District Board of Trustee member is well underway, it has come to our attention that the time stamper used on your 30th day before Election Day Campaign Finance Report was inaccurate.

Due to human error, the time stamper was not adjusted to reflect Daylight savings time and recorded a time that was one hour earlier than your actual time. Therefore, the time stamped is 60 minutes behind the actual time. The time stamper has been set to reflect the correct time.

Please note, this memorandum will serve as a permanent record for our May 4th Election documents and will be posted online.

Please feel free to contact me, should you have any questions.
