# Questions/Open Forum

The LPA logo consists of the letters "LPA" in a white, serif font, centered within a solid red square. The background of the entire image is a grayscale architectural rendering of a modern school building, identified as Sidney Lanier High School. The building features large glass windows, arched openings on the ground floor, and a prominent entrance with steps. Several cars are parked in front of the building, and a group of people is standing near the entrance. The text "SIDNEY LANIER HIGH SCHOOL" is visible on the right side of the building's facade.
