Guiding Principles

Guiding Principles

Presented to Board of Trustees in January

SAISD facilities and grounds **must reflect the District's vision** of becoming a national model urban school district.

Decisions must be grounded in a **commitment to equity**, both across and within our District.

Every SAISD student will learn on a campus that is safe and secure.

Every SAISD student will attend school on a campus with efficient and effective operation.

Every SAISD student will have access to learning environments where they can learn and achieve at the highest levels.

Every SAISD student, parent, community member, faculty and staff member will have the opportunity for input in the District's capital Improvement priorities.

Guiding Principles

Core Promises

All SAISD schools will benefit from the 2020 bond

- Finish the high schools
- Complete Bond 2010 and 2016 campuses
- Every classroom will receive upgraded technology
- District-wide security upgrades
- All outdated chillers will be replaced

All SAISD schools will be on a pathway to replacement or renovation by 2030
