

Spanish Language Arts Kindergarten 3rd Nine Weeks

This academic overview can be used to monitor and support your child's at-home learning progress.

Unit 5: Families / Familias

Student Learning Targets

- I can listen and ask questions to understand information
- I can apply what I learn to real life
- I can show where I found the answer in the reading selection
- I can draw, write and explain my thoughts

Questions to Check for Unit Understanding

- Where did you find the answer in the reading selection?
- Who's the main character?
- Where does the reading take place (scenario)?
- What was the problem in the reading selection?
- How was the problem solved (solution) in the reading selection?

Unit 6: Traditions / Tradiciones

Student Learning Targets

- I can read a text and relate it to my life and my surroundings
- I can answer questions orally, with drawings or through writing
- I can answer questions and show where I found them
- I can draw, write and explain my thoughts

Questions to Check for Unit Understanding

- Who's the main character?
- Where does the reading take place (scenario)?
- What was the problem in the reading selection?
- How was the problem solved (solution) in the reading selection?
- What does this reading selection remind you of?
