

## COVID Test Clinics

SAISD is proud to partner with *Accu Reference* to provide our students, employees, families, and community more opportunities to receive Covid testing, including choice of Rapid Antigen Tests or PCR Tests.

**Results for Rapid Antigen tests provided within 1 hour and results for PCR tests provided between 48-72 hours.** Processing time is currently longer due to a high testing volume throughout the Country.

**COVID TESTING**  
**Offering:**  
**Rapid Antigen Test**  
**PCR Test**

**Mondays through Fridays**  
**10:00-6:00**

**Saturdays-Sundays (and MLK Day)**  
**10:00-3:00**

**Alamo Stadium, Parking Lot E**  
**110 Tuleta St., 78212**

### Please Note:

- Testing is **FREE** for SAISD students and staff
  - Staff must provide District identification.
  - Students must provide student ID numbers and insurance information if insured. If uninsured, tests will be provided anyway.
  - Register on site or pre-register via this link: <https://accuref.us/isd-texas/>
- Testing for family and community is free for the PCR test. If a Rapid test is also desired, there is a \$30 fee for the Rapid test.
  - Families and community need to provide ID and health insurance information. If uninsured, a test will be administered anyway.
  - Register on site or pre-register via this link: <http://accuref.us/covid>  
Select Texas and Heaven for Hope (which is Haven for Hope) when prompted.
- Three drive-through lanes will be provided. One line will be for SAISD students and staff. Another line will be formed for families and community members.

Family testing at Burnet, 406 Adams St., which was previously scheduled every Tuesday from 4:00-6:00 has been suspended temporarily. We will send additional notice if the schedule resumes in the future.
