

## San Antonio ISD - Duties of School Based Law Enforcement

The San Antonio Independent School District (SAISD) operates its own dedicated police force, providing 24/7 coverage to ensure safety across its campuses and school-related activities. These officers collaborate with the San Antonio Police Department and other local law enforcement agencies. Their duties include investigating acts such as vandalism, burglary, disruptions, or any violations of the law that could harm the district's schools, students, or staff.

SAISD police officers are fully commissioned and have the authority to make arrests both on and off campus. They can also issue citations for violations of the Texas Penal Code. Students involved in such incidents—whether through arrest or citation—may be required to appear in court and face additional legal consequences.

The district encourages parents and students to report any suspicious activity involving students or district property. Reports can be made anonymously by calling the SAISD Police at **(210) 354-9000**, with particular attention to concerns involving gangs, drugs, weapons, or threats.

Respectfully,

Johnny Reyes Jr.
