New Hires - Utilize [Frontline Central](#) to submit Onboarding Paperwork

Welcome to the San Antonio ISD Team!

We are excited that you will be joining San Antonio ISD and helping us reach our district goals to ensure all students graduate college and career ready. To ensure a smooth transition working for the district, we've outlined time-sensitive steps that we need you to complete.

**Please complete all steps below in the next 5 business days so there is no delay in your start date.**

1. **FRONTLINE CENTRAL EMAIL:** You will receive an email invitation from Frontline Central requesting for you to create an account. Please check your Junk/Spam/Clutter Folders for this email. Upon locating the email, please follow the instructions directed on how to create an account. Once the account is created you will be able to access the forms in the Onboarding Packet.
2. **COMPLETE ELECTRONIC HIRING DOCUMENTS:** Please complete all the documents from a device of your choice (tablet or computer). A computer is highly suggested as other devices may not be user friendly.
3. **IN-PERSON DOCUMENTS AT THE CENTRAL OFFICE BUILDING – UPLOAD DOCUMENTS PRIOR TO IN- PERSON APPOINTMENT.** There are 2 forms in the onboarding packet that require your attention. The Teacher Retirement System Eligibility and the I-9 Forms ***will require that you upload 2 forms of identification. Once you have uploaded these documents***, you will need to present them in-person at our office as a part of your onboarding. Your Human Capital Management Point of Contact will be in contact with you to schedule an in-person appointment. Please **DO NOT** drop into the San Antonio ISD Central Office Building **without an appointment**.

Please read the information below regarding the I-9:

**I-9 APPROVED DOCUMENTS (see [page 2 of the I-9 guidance](#)), most commonly submitted:**

- Valid Driver's License/ID Card or Passport
- Social Security Card (also required for payroll purposes) *Copies are **not** acceptable.*

## Step 4: Use PDF Overlay

Information must be completed in “**Web Form**”, so the software automatically opens each form for you in this format. However, we also recommend viewing the form in “**PDF Overlay**” to give you a visual of what the actual form will look like. To do so, utilize the PDF Overlay toggle switch on the upper right, available on most forms. Then, switch back to “**Web Form**” to complete the form. As you complete and “**Save**,” feel free to toggle back to “**PDF Overlay**” as needed. Similarly, if you need to enter sensitive information such as your date of birth, select the “eyeball” button, or use a similar toggle which states “Display Sensitive Info” to turn it to green.
