## Component X Quarterly Update

**Continuous Improvement Across Central Office & Schools:** Implement a sustainable, system-level approach to continuous improvement across SASD central office and schools.

**Key Performance Indicator:** By May 2025, all San Antonio ISD schools will use a uniform school improvement planning process that is aligned with the District's School Performance Framework as well as state and federal accountability systems to improve outcomes for all students.

### Progress

- Component Progress
  - We have completed 1 Objective, 5 Activities, and 30 Milestones, representing 52% of our term!**
  - We are in-progress with an additional 16 items, leaving only 17 planned for a later date.
  - Taken together, this means 70% completion as of today.
  - Completed term Highlights
    - Created a new Office of Strategy and progress monitoring into routines
    - Incorporated strategy and progress monitoring into routines for the Executive Team and Board of Trustees.
    - Guided and managed progress monitoring
    - Built capacity and processes for Always Learning monitoring to include project management and updating, Children's Cabinet and other advisory Council oversight, and Key Performance Indicators.
    - We have a **Board Goals Dashboard** for progress monitoring.
    - Accomplishments and Milestones
    - We have a Board Goals Dashboard** for progress monitoring.
    - Campus Improvement Planning is critical to the success of our school; we are actively redesigning those processes, funded in part by involves working to drive results through Superintendent to refine procedures to drive results through strong goal setting, planning, and performance monitoring. In February, we began working with planning processes. The School Performance Framework will serve as one of the major tools for campus improvement, planning processes, and development, with Domains and Milestones.
    - The SFP is in development.
    - identified and shared with Principals.
    - We have established a cadence of meetings with the 12-30 Component Owners of Always Learning to keep this level of aligned performance management moving and growing throughout central office departments, too.**
    - In-Progress Work
      - Using the efforts of our Always Learning Component Owners and the reports they are producing for the Children's Cabinet as a springboard to more thorough Always Learning website and dashboard.
      - We are continuing to build Learning, as well as all district programs. One example is to incorporate the towards the completed pilot Academic Return on Investment analysis into annual review and budget cycles.**
      - recently working with Principals to identify the major performance objectives in their 2023-2026 Campus Improvement Plans using the updated School Performance Framework throughout the spring semester.
      - We are developing the SFP's usable format to fine-tune help Principals and schools, and then share with the community.

### Next Steps

- The Office of Strategy is partnering with Operations and Executive Team to look at Master Planning for the District.
- We are guiding the District through the Always Learning refresh over the next 5-6 months.
- We are opportunistically encouraging and actively helping build systems and enterprise answers for ongoing work.
- We are continuing to encourage and actively helping build systems and enterprise answers for ongoing work.
- We are opportunistically encouraging and actively helping build systems and enterprise answers for ongoing work.

### Questions

- How can we better connect the Children's Cabinet members with the aspects of Always Learning that they are interested in most. In a meaningful and mutually helpful way?
- What are some practical ways you would suggest for continuing to build capacity as an organization around continuous improvement-how have you "gotten over the hump" of making strategic thinking a priority in your experiences?

# New Business

*Always Learning* Components VII-X Update

# Syllabus and Routines

## 3 quarterly updates + 1 annual report

- ▶ This will form the backbone of the Cabinet's efforts to keep the Board and community informed on progress towards the promises within *Always Learning*

## Data from routine district participants

- ▶ Based on the components for that quarter, the Cabinet will receive data related to Key Performance Indicators identified for each of the twelve, and have access to data showing objective completion metrics

## Report

- ▶ The Cabinet will then provide feedback that will be compiled and drafted into a report by the Steering Committee for publication

# Reporting Format

Feedback will be organized in three primary categories:

- ▶ **Commendations** - *what went well or is going well; keep doing these*
- ▶ **Recommendations** - *what didn't go as well, or isn't working; consider changing in some way*
- ▶ **Considerations** - *questions, open ended feedback, new ideas, etc. for the district's staff*

Key staff implementing the component, along with District Leaders, will be at each table to hear feedback and take that back for immediate consideration, not waiting for the final report to act

# Component Updates

## Stay at your tables for this activity

- ▶ Distribute the packets
- ▶ You have two different items:
  - One-pagers on Component updates
  - Note catchers for each Component

## The Component experts will rotate to you. For each:

- ▶ We'll announce timing switches
- ▶ Engage in discussion while also writing your thoughts

# KPIs – Our Organization: Our Heartbeat

VII

SAISD Financial Services & Business Operations division strives for excellence in all functional areas to ensure a solid and sustainable financial foundation for District operations.

Executive: Dottie Carreon

Owner: Velinda Salas

## Key Performance Indicator

Each year, the ratio of budgeted General Fund (1\*\*) and Strategic Initiatives Fund (470) Expenditures & Other Uses budget to the sum of both funds' budgeted Revenues & Other Sources (excluding extraordinary items such as building sale proceeds) will reduce by 3.5 percentage points from the prior year budget, resulting in a balanced budget in the 2027-2028 school year.

VIII

SAISD will efficiently and effectively deliver goods and services to foster thriving schools and facilities that are safe, future-ready, and well-maintained, so students and staff can learn and lead.

Executive: Patti Salzmann

Owner: Jenny Arredondo

## Key Performance Indicator

San Antonio ISD will maintain full operational readiness at all of its campuses every day the school district is open.

IX

SAISD Information Technology will deliver technology services to create a safe, secure, reliable, and equitable digital environment where our *familia* can devote their attention to improving student outcomes.

Executive: Patti Salzmann

Owner: Eva Mendoza

## Key Performance Indicator

Decrease the phishing failure rate from 22% to 10% over the next 12 months to enhance organizational cybersecurity awareness and reduce vulnerability to phishing attacks.

X

SAISD will implement a sustainable, system-level approach to continuous improvement across SAISD central office and schools.

Executive: Patti Salzmann

Owner: Beth Jones

## Key Performance Indicator

By May 2025, all San Antonio ISD schools will use a uniform school improvement planning process that is aligned with the District's School Performance Framework as well as state and federal accountability systems to improve academic outcomes for all students.

# Bond 2020 Approval

---

*In November 2020, voters approved two propositions totaling \$1.3 billion:*

## **PROP A**

\$1.21 billion for:

- Campus renovations/upgrades, including HVAC upgrades
- Security upgrades at all schools
- Replacement of air-conditioning chillers more than 15 years old at schools not receiving major renovations
- New school models

## **PROP B**

\$90 million for technology upgrades for all schools

# Bond 2020 Planning

*Renovation projects were planned pre-pandemic using standard estimates of 4%-5% for inflation*

# Pandemic Impacts

*And then the global pandemic hit, bringing with it significant construction pressures:*

- Unprecedented inflation
  - Average of **25-30%**
  - Preliminary estimates for all projects came in over budget
- Supply chain issues
- Labor shortages

# How Can Bond Funds Be Used?

## USE OF BOND FUNDS

# District Response

---

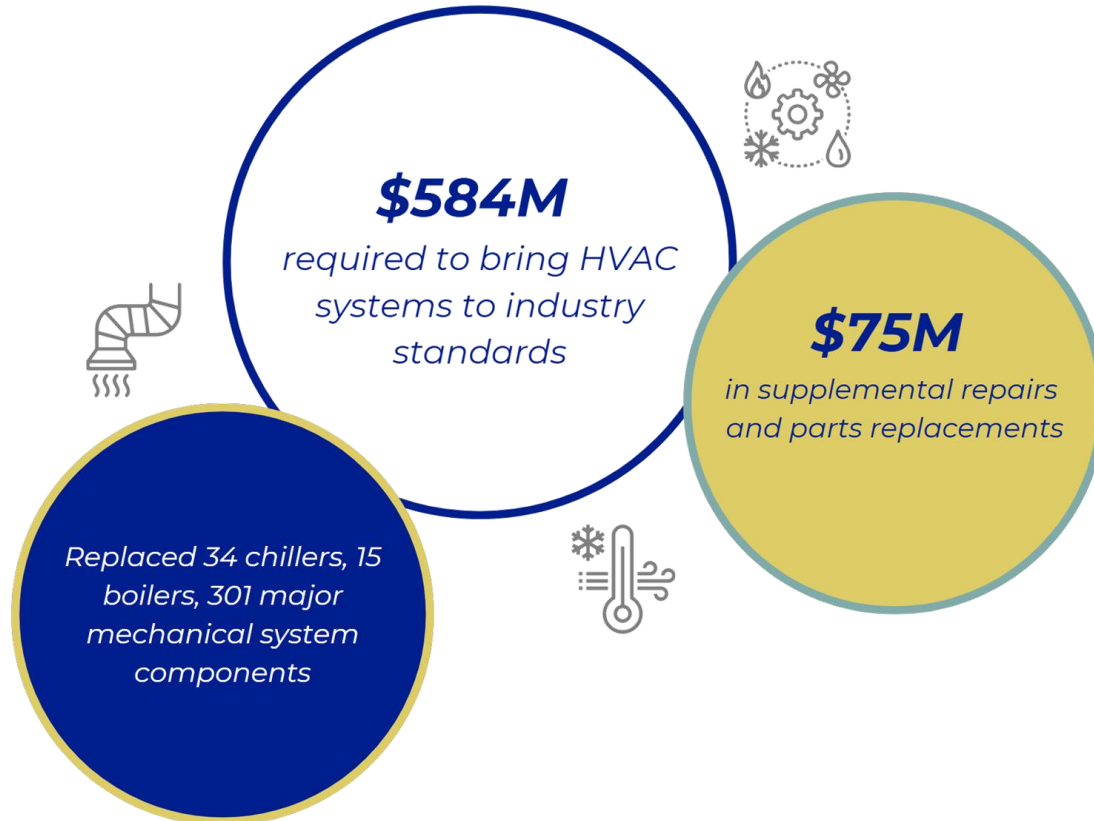

## *A tremendous amount of work went into salvaging Bond 2020:*

- Bond expenses examined at a program and a project level to identify savings
- A number of program-wide cost-saving measures implemented
  - **Example: project start dates staggered through phasing**
- Every major renovation project reviewed to get as close to budget as possible
- Funds returned to the overall bond program for areas of critical need across the district, including at campuses receiving students through Rightsizing

The Bond 2020 Citizens Advisory Committee supported the use of returned bond funds for the following priority areas:

- **HVAC**
- **Security upgrades**
- **Restoration of scope to address critical needs**

# Significant HVAC Needs

# Setting the Stage

What is our path forward?

# Renovation

---

## Pros:

- Preserving history & community identity
- Cost savings on land and structure
- Established infrastructure
- Sustainability

## Cons:

- Hidden costs & structural issues
- Limited modernization on spaces not designed for current educational specs
- Higher maintenance costs
- Disruptions during renovation can slow scheduling and progress

# New Construction

---

## Pros:

- Build aligned to educational specifications
- Energy efficient
- Modern spaces for 21st century learning
- Increased capacity to maximize resource allocation
- Avoiding structural issues
- Sense of pride & revitalization of the community

## Cons:

- Higher initial cost
- Possible community pushback
- Changing demographics and investing in areas with declining enrollment (master planning will be key)

# Activity Instructions

## *Our Path: New Construction or Renovation*

Directions:

1. Choose a path, either New Construction or Renovation.
2. Join one of the 4 small groups on your side of the room, around a semi-circle of chairs, poster, and markers.
3. Together as a small group, answer:

**If this is our goal, how should we tell our story?**

**What are its strengths? What are its liabilities?**

**What will win people over? What will lose people?**

4. Write your ideas on the posters. Two Cabinet members will be walking around to synthesize for a share out at the end.
5. We'll revisit this in April for more group discussion and work synthesizing.
