

2024-25 SAISD Family-School Relationships Survey Summary

Poe STEM DL Middle School

Each year, SAISD families are asked to complete the Family - School Relationships Survey. Questions span six different domains -- **School Safety**, **School Climate**, **School Fit**, **Family Engagement and Input**, **Family Efficacy**, and **Family Involvement**. Each domain is given a favorable rating based on the question scores, then these domain ratings are combined to get the overall campus rating. The data gathered helps campuses better understand how to build effective partnerships with families, as well as strengthen family engagement to support strong academic and social outcomes for students.
