

ADVANCED ACADEMICS  
**ADVANCED PLACEMENT**  
SAN ANTONIO INDEPENDENT SCHOOL DISTRICT

## STUDENT EXAMINATION PLEDGE

The San Antonio Independent School District provides the opportunity for all Advanced Placement students to earn college credit by assuming the full cost of each Advanced Placement Exam. As a result of this investment, it is crucial that every student understand their responsibility to take the AP Exam for every AP class they are enrolled in. Students who fail to appear for an AP Exam are responsible to reimburse the district for the cost incurred for this unused exam which is up to \$94.00.

I, \_\_\_\_\_, fully understand the expectation for me to take an AP Exam for each AP course I am enrolled in. I further understand the cost of each AP exam is up to \$94.00 and is paid by SAISD in advance for ordering purposes. By signing this letter, I agree to allow the district to purchase the exam(s) on my behalf and understand that failure on my part to sit for my exam(s) could result in the district seeking full reimbursement for an unused exam prior to graduation. I understand that the deadline for withdrawal from an AP course is October 11th for year-long courses as well as fall semester courses and February 7<sup>th</sup> for spring semester courses.
