

## Texas Success Initiative Assessment 2.0 (TSIA2) Blueprint

TSIA2 is made up of two multiple-choice College Readiness Classification (CRC) Tests—one for English language arts and reading (ELAR) and one for mathematics—as well as corresponding Diagnostic Tests and an Essay Test.

This blueprint breaks down the TSIA2 multiple-choice question and Essay prompt pools at the time of launch (January 11, 2021) in relation to the Texas academic and adult education literacy standards that TSIA2 was designed to address. Specifically, the tables in this document present the following information for each TSIA2 College Readiness Classification Test content category, Diagnostic strand, or Essay dimension:

1. The number of Texas academic and adult literacy standards that align to the given category, strand, or dimension (standards are included from Texas College and Career Readiness Standards [TX CCRS, 2018]; Texas Essential Knowledge and Skills [TEKS], English III [2017] and Algebra II [2012]; and Adult Education and Literacy [AEL] Standards 2.0)
2. The number and percentage of questions or prompts in the launch pool that address the given category, strand, or dimension

**NOTE:** Percentages may not total 100 due to rounding.

### Key Links:

#### About the TSIA2

<https://www.youtube.com/watch?v=5VQs2vChq6E> - start at 23 minutes into the video and also jump to 50 minutes in to see the test specifications

#### TSIA2 Learning Materials

<https://tsia2.pearsonperspective.com/perspective/> - students can enter the learning locator code for material specific to their needs. Else, everyone is able to click the button “Enter Student Site” without a code and see all the learning materials.

#### Detailed Specifications of the Math/ELAR TSIA2
